Profile

A meticulous, versatile and motivated television director with over 15 year experience in television broadcast. I'm committed to delivering high and innovative quality projects with the ability to form and maintain relationships at all levels.

I'm an effective, dynamic and decisive communicator, who is passionate, enthusiastic, has the ability to learn quickly, and can withstand pressure and deadlines whilst juggling multiple tasks. I'm confident at dealing with well-known talent and leading a large team/crew within a studio & on location.
