Assisted producers in all tasks. Monitored Extras to make sure costumes were consistent during filming — coordinated Extras while off-screen (1200 people).

Instructor, “Film Making,” Tacoma Washington. Created a 5-day intensive course for High School students ages 15-18. The program included concepts of pre-production, production and post-production. Skills covered: structuring storyline, film budgeting, shooting the film for audiences.

Additional. I have worked in Poland, New York, and London. I am fluent in Polish and proficient in English and French. My interests include fashion trends, new influencers, contemporary Art films, modern and classical music.
