Represented by Screen Talent Agency

## About:

I am a Freelance Writer & Director based in London, UK and love visual storytelling in all mediums. In my career I have had the absolute pleasure of working on award-winning Short Films, Commercials for the likes of... and multiple music videos. As a Director I have a deep fascination with character and identity and love to dig deep into the humanity of a story. Practically I have regular collaborators on hand who enhance this atmosphere and passion. I have a Valid Passport and Car for travel.

## Other Employment:

*One Thousand Eyes*

One Thousand Eyes is the Production Company I work under in the UK. As the Director of the company I have a range of kit and crew available as well the ability to take on end-to-end productions.

*Agency Inside*

Prior to Freelance I worked in a Studio based within Intel Corporation. As well as having an on-site studios we travelled the world filming both branded and corporate content for a wide range of uses.

*Filmmaking Tutor*

For many years I have worked as a Filmmaking Tutor in a variety of settings from Film Festivals to Private Tutelage. Most notably for The Young Film Academy, an outfit geared to teaching children from ages 6-15.

## Education:

16mm-35mm Familiarisation - NFTS

Broadcast Media - Brunel University - 1st Class BSc
