A BAFTA award winning Director with a proven track record of delivering visually compelling work and strong narratives for the biggest broadcasters and global brands. My philosophy is one of a calm approach, a strong eye for cinematic detail and the importance of story in which I have effectively applied to Entertainment, Fact-ent, Reality, Comedy, Music programming and Branded content. I have over 15 years experience of directing large scale multi-cam shoots and single camera promo shoots with a strong ability to adapt to a variety of onscreen talent.
