- I can take charge and have led productions (the biggest a team of 25). I also have initiated my own work. I have a collaborative spirit and see the project through.
- I am full of enthusiasm and am devoted to making excellent work.
- I bring skills from many aspects of my life, careers and hobbies to the job which result in a crew that wants to achieve great work.
- Mistakes have been made which have become excellent teachers of which I am grateful
