---

## PROFESSIONAL SUMMARY

**Award winning** writer and director specialising in storytelling with a **strong moral compass**, my work uniquely pairs bold cinematic visuals with sensitive social issues. With 11 years' experience directing, commercials and campaign films for brands such as **LoveHoney, Lego, Sega, Nintendo, Shelter** and more, I tell **emotionally impactful and visually engaging stories** that produce impressive results for my clients.

---

## KEY ACHIEVEMENTS

- My short film *Only Yourself To Blame* **officially selected for BFI's London Film Festival** & had an international premier at **Fantasia Festival 2023**, which is the biggest genre festival in North America.
  - Film 4 development executive Amy O'Hara, shortlisted *Only Yourself to Blame* as one of her top shorts of 2023.
  - My first feature length script has been optioned by production company **EPIK Pictures** and is in development
  - #Metoo inspired "Death of Silence" **wins 4 awards** in 2022 including **Best Director** and **Best Music Video**
  - Shelter Christmas campaign provided a **record breaking number of donations** for Shelter, with millions of views with the paid campaign and almost **75K organic views** on YouTube
-
