## SENIOR PRODUCER / DIRECTOR

I am a senior P/D with a track record of making glossy prime-time factual and current affairs programmes for BBC1, BBC2, ITV, Channel 4, Channel 5 and recently, Netflix and Discovery. With a range that takes in history, pop science, health, crime, consumer, travel and more, I have worked on some of the biggest brands, from Countryfile to Food Unwrapped; and directed some of the biggest names. I have filmed in Egypt, the Andes and the Amazon Rainforest and with refugee children on the Syrian border. I've managed a team of 30 on Newsround but also self-shot whole 60' shows and made a pilot that led to a series commission

## SKILLS

Directing crews, multiple cameras, drones and jibs - Self-shooter on FS7 & C300, shooting whole programmes - Edit producing up to 90' - Directing established presenters - Casting and developing new talent - Foreign filming - Running large teams, hiring and line managing staff - Fast turnaround documentaries - Working with archive and UGC - Covert filming and doorsteps - Making successful pilots - Working direct to execs and commissioners - Across multiple edits
