As a Director I have worked with single, and multiple cameras in studios, and on location. I have directed 'Hollyoaks' along with several multi-award winning short drama films, and I have written several spec film screenplays.

TV Credits:

**Hollyoaks** Directed a block in Summer 2016. Episodes 4486 to 4490.  
Aired Monday 3<sup>rd</sup> October to Friday 7<sup>th</sup> October 2016.

**BBC Look East**

March 2006 – June 2016

Vision mixed / Directed live studio news bulletins and outside broadcasts in the East / West Anglian region. During this time I directed half-hour programmes featuring David Cameron and Ed Miliband as well as Pamela Anderson. As well as directing the news I also edited stories and sound mixed the live output. Directing live news programming is exciting, prone to going off-script, and very open to creativity. I learned a lot of transferable skills in this job, including working well under pressure, adaptability and being multi-skilled.

**Letters Of Service** (*short film*) Screened on BBC2 in February 2014 as part of centenary of World War One. Also on BBC i-Player
